

AI for Learning - Speak with ChatGPT

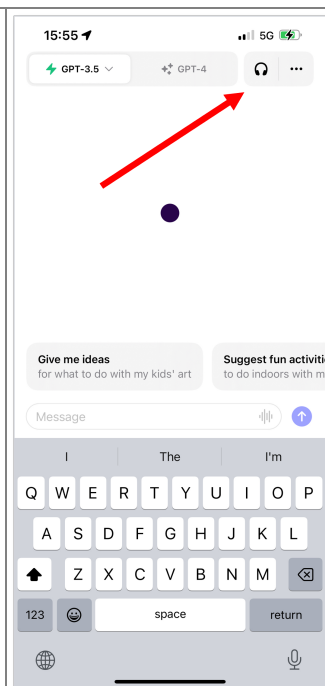

AI (<https://uia.instructure.com/courses/14570/pages/home-ai-short-version>) - Speak with ChatGPT - [Next](https://uia.instructure.com/courses/14570/assignments/58869) (<https://uia.instructure.com/courses/14570/assignments/58869>)

"ChatGPT can now see, hear, and speak" 

(<https://openai.com/blog/chatgpt-can-now-see-hear-and-speak>) [1]

1. Install ChatGPT on Your Android or Iphone
2. Press Headphone Symbol
3. Talk and listen :-)
4. Try "Translate to German but with a Bavarian Dialect"
5. Try "you are my interpreter between me and another person. I speak Norwegian and she will speak English. translate between us"
